FORMAL WRITTEN REPLY – MPEP 713.04 ON NOVEMBER 2, TELEPHONIC
CONFERENCE.

Jim Mayre and Daniel Lastra and I reviewed the necessary usage, terms and policies of systems and methods. It was decided by me to cancel claims 1-14. And I decided to begin on claims beginning with 15. The conference call was very helpful to me in defining my work clearly using steps and using verbs.

Sincerely,

A handwritten signature in cursive script that reads "Bill Kish".
